OFFICE DINER

EXCEPTIONAL CORPORATE CATERING SERVICES ACROSS LONDON

For nearly 20 years the team at Office Diner have been on a mission to provide great food at great prices for companies and events around London.

We make fresh each day. From scratch. No storing in the fridge overnight.

We want to make sure that your meeting or event is exactly what you are after. We pride ourselves on our flexibility and adaptability.

We were the first caterer in London to ride around London in zero-emission cargo bikes and cars. From our central London base in Holborn we reach anywhere inside the M25.

Breakfast, lunch, and evening receptions, they're all covered.

Our mission is to provide a stress-free experience. Whether it's pastries and hot rolls for 5, sandwiches and salads for 50 or canapés for 500, we deliver.
